

ABDUL RAFAY KHAN

FULL-STACK WEB DEVELOPER

📍 North Karachi, Pakistan | 📞 +92 3XX XXXXXXX | ✉️ abdulrafay.khan@email.com | 🔗 github.com/AbdulRafayKhan

PROFESSIONAL SUMMARY

Motivated and detail-oriented Full-Stack Web Developer with practical project experience building dynamic, secure, and fully responsive applications. Highly proficient in frontend technologies including HTML5, CSS3, JavaScript, and Bootstrap, paired with robust backend development utilizing PHP and MySQL. Proven capability in version control via GitHub and an engineering academic background that reinforces strong logical problem-solving and optimization skills.

TECHNICAL SKILLS

Frontend Tech: HTML5, CSS3, JavaScript (ES6+), Bootstrap, jQuery, Responsive Web Design
Backend & DB: PHP (Procedural & Object-Oriented), MySQL (Relational Databases, Queries)
Tools & Workflow: Git, GitHub, VS Code, XAMPP architecture, Password Hashing & Form Security

KEY PROJECTS

StudentSync — Student Web Portal

Aptech Vision 2026 Exhibition

Technologies: PHP, MySQL, JavaScript, Bootstrap, HTML, CSS

- Designed and developed a cohesive, secure student portal to centralize academic resources and streamline peer collaboration.
- Implemented secure user authentications, responsive UI panels, and optimized relational MySQL tables for dynamic content.

MindFullIntentions — Full-Stack Web App

Academic Semester Project

Technologies: PHP, MySQL, Bootstrap, Git, GitHub

- Engineered a fully functional web application following systematic software development life cycle (SDLC) methodologies.
- Authored complete technical documentation, including a detailed Software Requirements Specification (SRS) report and database schema.

EDUCATION & TECHNICAL TRAINING

Diploma in Software Engineering (3-Year Program)

In Progress

Aptech Computer Education (North Karachi Campus)

Intermediate (Science General / Pre-Engineering)

In Progress (Grade XII)

DJ Science College, Karachi

Matriculation

Graduated: 2025

The Programmer School | Score: 87.5%

LANGUAGES

Urdu: Native / Fluent | **English:** Professional Working Proficiency
